DEDICATION

We the class of 1989, would like to dedicate the very first Carver High School Yearbook to the principal of our school, Mr. Thomas Long. Mr. Long has made a total commitment to all of the students at Carver High. It seems only appropriate that the first dedication of the Carver High yearbook be to Mr. Long.

Throughout the past two years Mr. Long has more than gone out of his way to help our class adjust to the "break away" from Plymouth and give us "Carver kids" a school of our own. He has given us all the pat on the back that we have needed to feel appreciated during the past two years.

Mr. Long's dedication to the student body can be seen through his support of the many athletic teams and events here at Carver High. His visibility at senior events clearly indicates how much he is genuinely interested in making sure our last year as high school students is an enjoyable and interesting one. Mr. Long has also spent much of his time trying to acquire scholarship money for us as well as funds to make the production and publication of the yearbook more economical.

Mr. Long cares about everyone at Carver High School and we are all extremely fortunate to have had the chance to know him. He has given us what we have needed to prepare ourselves for the coming years ahead of us.

— Mr. Long, thank you for your sincere devotion and dedication to us, the graduating class of 1989. You have made our years as Carver High School students fulfilling and rewarding. Keep up the good work so that students to follow in the Carver school system will be as fortunate as we have been.

SPECIAL THANKS TO

WE WISH TO THANK THE OCEAN SPRAY CO. FOR
THEIR GENEROUS CORPORATE GIFT WHICH
HELPED MAKE THE PUBLICATION OF THE 1989
CARVER HIGH SCHOOL YEARBOOK POSSIBLE.

ADMINISTRATION

PRINCIPAL
THOMAS LONG

to the class of 1989,

Each one of you are important to Carver High School. As individuals you represented your school in the best tradition both in academics and sports. Your pride and sincerity of purpose has become a benchmark for future classes to follow. You have established many fine traditions that have become part of the fabric of our school life. Your enthusiasm, dedication and effort will long be remembered. May all your future endeavors be as successful as your senior year at Carver High School . . .

Thomas Long, Principal

Only a few weeks remain before your graduation from Carver High School. In just a short time you will be members of the community looking back on the days of your youth and the years that played such an important part in your life; the days you spent in the Carver Schools. When you do look back, the photos, facts and memories in this book will be your guide to a happy reminiscence.

At this time it is fitting that we reflect back on the times that have passed; that we recall those incidents which have made these years memorable ones in our lives.

This is true for me as well as for you, and when I remember the good times and the bad, the work and the play, the setbacks and the accomplishments, I keep coming back to you, the students of Carver High School. In the final analysis, it is the student body that makes a school what it is, and you, the Senior Class, have helped make C.H.S. an outstanding school; a place that is exciting to be in and of which we can be justly proud. In a very real sense the success of this school is your success, for you as seniors are the leaders of the school community. Your attitudes, your understanding and your academic and athletic abilities all contribute to the final outcome. For your cooperation and your efforts. I am deeply grateful.

Thank you for making the past two years at Carver High School pleasurable ones. May your memories of C.H.S. be pleasant ones and may the future be filled with happiness and success. Please accept my congratulations on your graduation. Good luck to you all, I wish each of you a very happy and healthy life and bright tomorrow.

ROCCO PALLADINO
VICE PRINCIPAL

The Class of 1989 is to be congratulated on its accomplishments. Perhaps in a year or two, or twenty you will look back at these days, that seemed so endless just a short while ago, and see them in the light in which they were lived.

You will see them as more than marks, memorized theories, and written reports. You will appreciate the role that you played in establishing Crudader traditions.

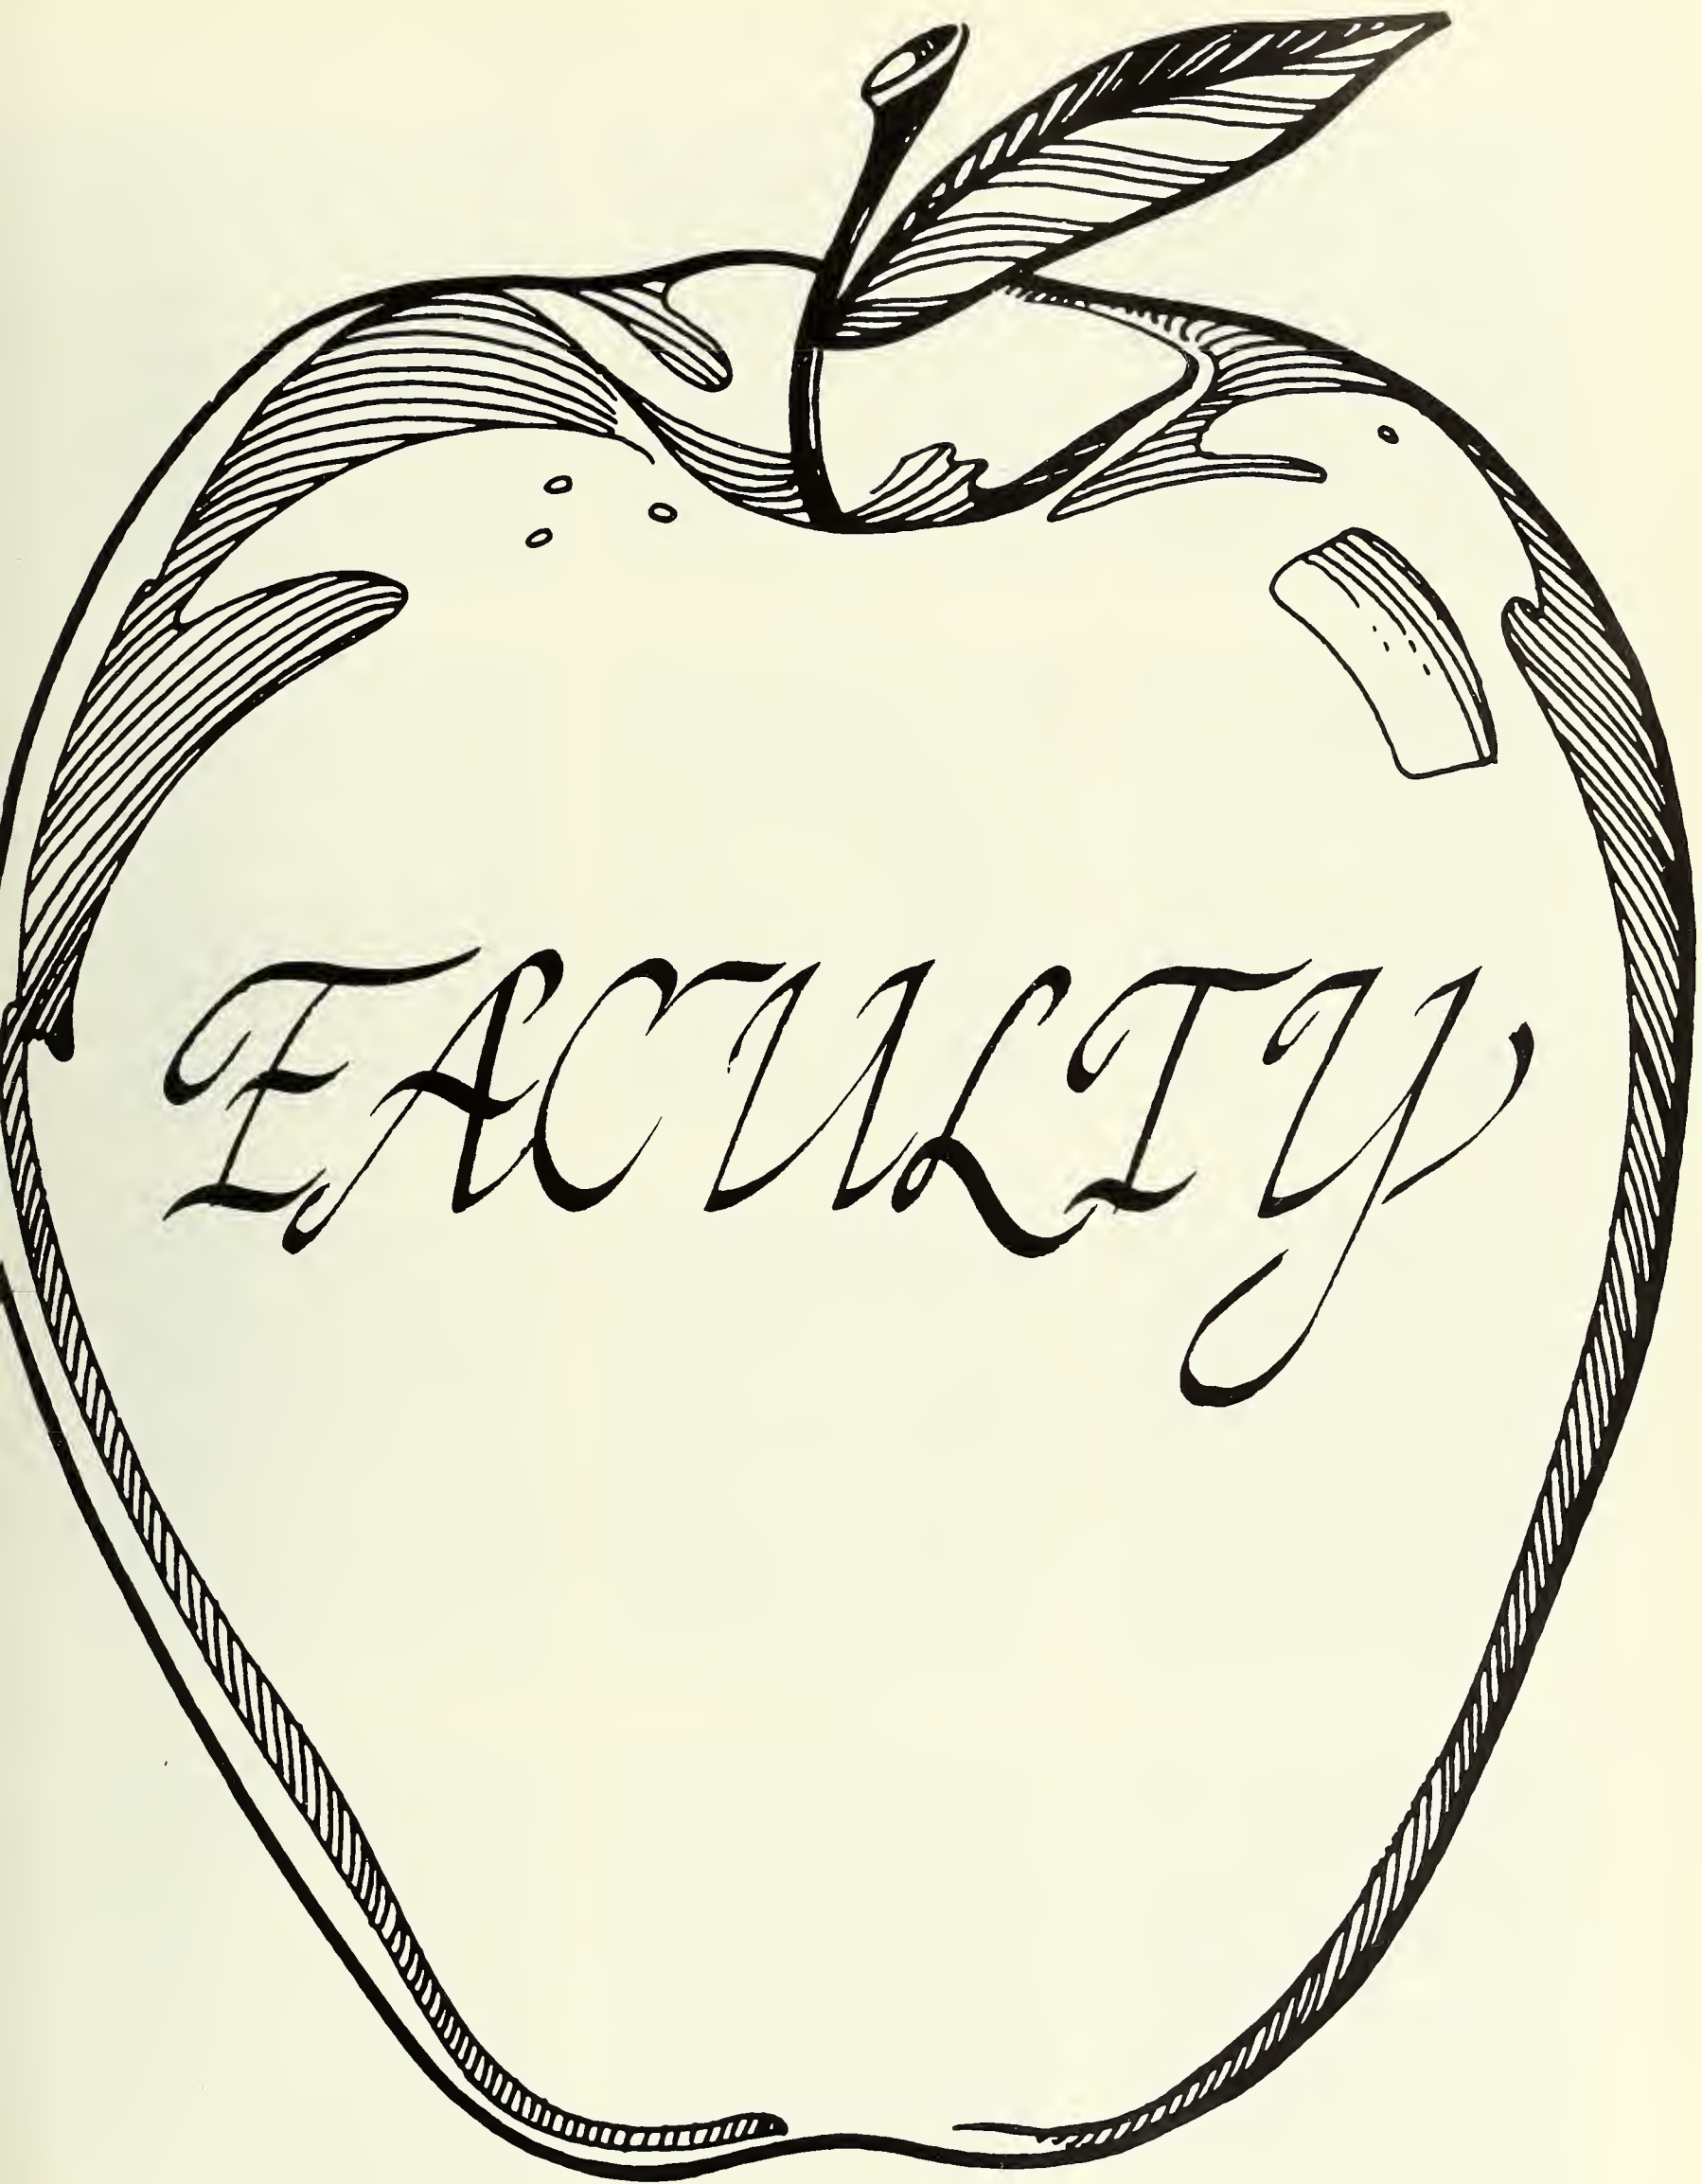

Remember the day you helped open Carver High School.

Remember the first sports teams.

Remember the first prom, the first graduation, the pride.

Your place in the history of Carver High School is assured. The Class of 1989 will be remembered.

Good luck and success as you pursue continued education or your chosen career.

MODEL UNITED NATIONS

Model United Nations, a mock United Nations session for high school students, gives them a chance to represent UN delegations from around the world. December 8-11, Carver attended Harvard Model UN, at the Copley Marriott in Boston, representing Portugal. In April, Carver, now a delegation from Bolivia, attended The National High School Model UN. CHS students enjoy the opportunity to learn about different nations, get a taste of the UN experience and explore the various cities they attend.

PEER LEADERS

Peer Leadership

The Peer Leadership program, directed by Mrs. Ruth Lynch, was initiated right after the move to Carver High School. Peer Leaders were selected from a pool of applicants. In the weeks that followed, the new peer leaders completed a training program about drugs, alcohol and communication. They were anxious to share their knowledge with others. Committees were formed and peer leaders prepared for the coming events. Some events included a drug and alcohol awareness presentation, a visit to the elementary school, a "move up day" for sixth graders, a pamphlet for new students, a display booth for Great American Smokeout day, and an after school homework club. The peer leaders have accomplished many impressive feats in their short time of existence and hopefully they will continue their hard work in future years.

AFS

The American Field Service (A.F.S.) club has one foreign exchange student, Jorge Zamora, from Bolivia. Last November several students from across the globe came to Carver High School to tour Plimoth Plantation and Edaville Railroad with A.F.S. club members, the event ended up at Mrs. Corbett's house for a pizza dinner.

Carver High Schools first football team had a great season even though that wasn't what the scoreboard showed. The success of this team should not be measured by the score but, by the heart, determination, intensity, and desire the players possessed throughout the season. Carver played tough and scored in every game gaining respect for themselves and their school in a very tough and competitive league. There were many great efforts and memorable occasions during the season and some of them were: Marc Lopes was selected to the All-Star team; The defense shut out Rockland and scored 2 TD's in the second half; Marc Lopes scored first ever TD for Carver; Bobby's pass to Todd for 74 yds. and a TD; Melvilles 14 hits against Norwell; Hulls antics; Todd's injury against Hull; Lopes and the line gain 170 yds. vs. Abington; Eric Weston tears his knee vs. Abington; Shores hits vs. Rockland; Keith Lyon's interception vs. Hanover; Dave Lacey's hits; Jay's 51 yd. run vs. EB; Hamill's Blocked punt; Chris and Bobby mud wrestling; Goose steals ball for TD vs. Rockland; Sirrico's pit; Langston's sprints; EJ's desire; Henderson's speed; Eric wheezing; Gaudet's tough hits; Januk's pop; Calvert and Zundell's running.

Thank you Seniors for your hard work and leadership. The task was not easy and you never quit. You improved every day and have laid the foundation for a good future and Thanks again Eric, Marc, Bobby, Chris, Todd, Keith, Jay, and Rick.

— Coach Murphy

It was a very successful year for the girls' soccer team. The team was led by captain Michelle Cadose, who was named All Star. The team played 14 games and won 4. The team was very determined and worked hard to improve. The team was very successful in the league. The team was very successful in the league. The team was very successful in the league.

The 1988 boys soccer team had a tremendous season with a record of 4-14. Coach J. O'Connor's agreed with captains Jon Kunkle, Bill Jones, Shawn Bennfield, and M. Staziowski that the future of Crusader soccer is quite bright. He felt the season was a season-like in helping guide the team during its inaugural season. Future success will reflect their efforts. All Stars: Jay Morris and Shawn Bennfield.

BOYS SOCCER

A black and white photograph of a girls' soccer team. There are 20 players and two coaches. The players are arranged in three rows: the front row is kneeling, the middle row is sitting, and the back row is standing. They are wearing white jerseys with dark numbers and dark shorts. A soccer goal is visible in the background. The players' jersey numbers are: Front row (left to right): 9, 12, 19, 20, 29, 31, 32, 35, 45. Middle row (left to right): 12, 19, 29, 31, 32, 35, 45. Back row (left to right): 12, 19, 29, 31, 32, 35, 45. The coaches are standing on the far left and far right of the back row, wearing dark jackets with a circular logo.

The 1988 Crusaders Football team had a record of 14-1. Toward the end of the season the Varsity team created a song to cheer the Junior Varsity team on. The song is "Eight Days A Week," derived from the Beatles song. The song goes . . . "Oh, we need a goal team. Yes, you know its true. Won't you score a goal team like we want you to. Go team, fight team, win team. Oh, we need a goal team Eight Days A Week — Hit IT!" Favorite Munchie was Product 19. The co-captains of the Varsity Team were Kristina Jones and Renee Grennell, junior. The three players who were Kristina Jones, Renee Grennell and Jeanine Look. The first goals for Soccer and Hockey were scored by Christine Bannister. Varsity Soccer Grant scored for the first goal. The first goal of the new season. Students were saying "good job" to Curtis. The bus rides Kristina Jones and the team were in. In a tuff league. Making everyone to get their sticks down. Later, when recalls of the ride after the last game and going to the Hills. Jennifer Lesgor recollects the closeness of the team and the bus rides also. Kim Schaefer remembers how good the water tasted at the HILLS! The Field Hockey team of '88 would leave the team of '88 experience as a GOOD LUCK!

The Carver Boy's and Girl's Cross-Country teams might not have won any State Championships this year, but they showed sincere effort and hard work all season. A big reason for this is the young teams, led by Coach Lyons, Girls Captain Jermaine Gomes set a school record, on Carver High's home course, of 15:15. Gomes also received All-Star Honorable mention. Another asset in the team's first year were the younger members of the teams (comprised mostly of 7th and 8th graders).

The 1988-1989 wrestling team had the best record of any crusader sport team thus far. Their record of 9-11 represents more wins than all the other teams to date. Leading the way for the squad were co-captains Mark Stasiowski and Dan Shores both juniors, their enthusiasm was an inspiration to the entire team. "Stas" was undefeated with 22 wins and became the So. Sec. Div. II Champ. Four outstanding rookies are sure to be reckoned with in the future. Eighth grader, Tom Walsh, sophomores Alex Haigh, Bob Marcolini, and junior Dan Grimes. Together they posted 34 wins for the team. Bidding the team farewell are seniors Matt Struski and Todd Mosher, whose efforts will be missed next year. Crusader wrestling credits this great beginning to Head coach Kevin Farrell and his assistants Gary Corshia and Dave Vinning.

Our varsity boys basketball team was cheered through a great season by the first squad of basketball cheerleaders. This squad set a fine example for all later squads to follow. At the end of the season the squad competed in a cheerleading tournament. They showed area schools that Carver will be someone to contend with in years to come.

...year, the first Carver gymnastics team had no wins, but they did an excellent job as a team. They had their highest score of 102.8 which is extremely well. They weren't too far behind all the other teams. At the South Shore League meet Capt. Carrie Burdziuk was in seventh place in vaulting with her highest all-around score while setting a school record. Capt. Leslie Whittaker had a very strong season also, setting some school records. The gymnastics team ended the year on a strong note. Very well. Carver High School gymnastics team is to be a very strong team next year.

Jay Mountain has played hockey most of his life. He played on the Plymouth-Carver hockey team in his Freshman, Sophomore, and Junior years. When the regional sports program split this year Carver did not offer a hockey program but, since Plymouth and Carver are still a region Jay was allowed to finish his career on the Plymouth team. Jay is having his best season ever he has 14 goals, 13 assists and has been selected to the All-Star team. Jay is a Captain of the team and his play has been instrumental to the team this season. The hockey team is having a record breaking season demolishing most of their opponents. They have qualified for the state tournament and are in good position to win the OCL Championship.

Dear Laura

If time went 'round again,
We pray
That you'd choose us as parents.
For another day.

Love and congratulations
1989

JONATHAN MORRIS

Jay,

You've been a delight to us since the day you were born. Watching you grow:

From that adorable little guy who always wore his green

cap sideways . . .

To that frisky 12 year old who always had some type of a ball in his hand or under his foot . . .

To that complex adolescent with that strange chain around his neck, and those INNOVATIVE hair styles . . .

To this mature young man . . .

Has surely been a joy!

We know you'll be a success at whatever you pursue. You've got ambition, patience, and compassion for others. We are very, very proud.

Love,
Mom and Dad

Congratulations to our daughter Jill and the class of '89. May all your hopes and dreams be fulfilled.

Jeff & Judy Cutter

VIKKI

It has been such a beautiful time watching you grow from an infant to a beautiful young woman.

We are so proud of you for all your accomplishment in everything you do. No parents could ask for a nicer daughter than you.

Our wish for you is for the Love, Happiness, and the fulfillment in life you so richly deserve.

Love
Mom and Dad

JEANINE

Thank you for all the wonderful memories and good times you've brought into our lives. Can you still remember your first day at M.D.'s with Mrs. Duda? Not really that long ago.

The next phase of your life will be as exciting and rewarding as the many first steps you have taken in the past.

Our little Princess is now a Queen.

Love Always,
Mom, Dad, Ricky,
Scooby, and Blacky

P.S. All our love, best wishes and hopes are with you wherever the future may lead.

VIKKI

This is a special time for you. You're not a little girl anymore, although sometimes I wish you were. From the first to the last, Best of Life always and remember I'm always here for you.

Love,
Sandi

CARRIE

There are no words that can express the deep love and respect I have for you. Your beauty has grown and blossomed from a precious bud into a beautiful flower. Now as you cross from childhood into adulthood I want you to carry that love and respect wherever life shall lead you. Always follow what's in your heart for your heart will never betray you. The future lies within you, and the world is yours to have.

I love you,
Mom

To my son Paul, who has always been a source of great pride to me. You are about to embark on the adult chapter of your life. You have the ability to pursue and make your dreams come true. You can also make it interesting and fun.

Don't dwell on past mistakes, learn from them and move on. My wish for you today as always, is to have a very happy and fulfilling life. I love you.

Mom

WENDY,

Best wishes,
Good Luck in '89

Love,

Aimee LeBel

Dear Aimee:

May your future shine as you always have.

Love,
Your Godmother, Auntie Doris
Your Godfather, Uncle Bob

JAY MOUNTAIN

We've met your teachers throughout the years.
We've met your coaches and helped you through
the tears.

You've struggled through; you've smiled and
sometimes

did frown.

But through it all we knew you'd seldom let us
down.

And someday we'll smile at all you've done.

And you will know you never lost, but you've only
won.

Love
Mom and Dad

To Aimee:

You sure are leaving a hard act to follow.
Best of luck in college.

Your brother,
Andy

JAY MOUNTAIN

You've been a first at many things among our
family. Keep on heading in that direction. We're
all very proud of you.

Love,
Grandma Mac

Aimee E. LeBel Class of 1989

To Aimee:

You are our special gift from the Lord; lent to us to help guide into an independent, productive, happy adult. Our job is nearly complete. You represent to us all the very best in life. Your wonderful spirit, your dedication, your loyalties and your concerns for others has been a joy to witness.

Your dreams for your future and your pursuit of these dreams, show us we have indeed managed to instill in you the self confidence needed to advance in the directions of your dreams.

Don't ever dismiss your dreams. To be without dreams is to be without hope; to be without hope is to be without purpose. Don't ever be afraid to encounter risks. It is by taking chances that we learn to be brave.

You are a remarkable young woman. Take great pride in yourself, as it is you who has made your accomplishments possible.

Remember, we will always be here to help, support and to love you. No other parents could be more proud of their child than we are of you.

luv ya,
Mom & Dad

MICHELLE SYLVIA

Michelle —
You were a good baby
You were a great kid
You are a wonderful person.

We are richer for having you.
We are all so lucky to have you in our lives.

Love,

To Rob,

You are everything in a son parents could ever hope for. You have given us much joy and so many trips to the emergency room.

May all your dreams come true. God bless

Love,
Mom, Dad, and Tami

ERIC WESTON

By the thoughts you put in action
By the dreams you strive to reach —
You can shape or form the future
By some hard sought fact they teach.

Congratulations and Good Luck

We would like to take this time to thank a very special man who dedicated much of his time to ensure that the publication of this yearbook would be a success, our advisor, Mr. Kevin Farrell.

Mr. Farrell has spent many hours of his free time working with us on yearbook projects, and helping us through confusing and difficult times. Mr. Farrell is involved in many different activities. These activities include S.A.D.D. Advisor, Wrestling Coach, and Softball Assistant Coach, but, somehow, throughout the year he has always had time for the yearbook. Without him the publication of the yearbook would not have been possible. We will always remember his good sense of humor while helping us work through difficult situations. We have learned a great deal from him. The things that we have learned will travel with throughout our lives.

Mr. Farrell, thank you once again, and good luck next year with your new yearbook staff. We are sure that they will have as much fun as we did, and that they will learn as much as we did. Good Luck!

CANDIDS

The publication and design of a yearbook takes many long and hard hours, and also requires the assistance of many people. During the past year several people have generously given us their time to help the publication of Carver High Schools first yearbook become successful. We, the Editors of the yearbook, would like to thank those people for their efforts.

We would like to thank the Yearbook Staff for their efforts in helping to produce the yearbook. Jessica Fries, also a yearbook staff member, designed the original cover of our book, and we would like to give her special thanks. Mr. Davies and his Photography Club also donated much of their time to the yearbook this year, we would like to let them know how much we appreciate their work. The Art Department and Business Department were also cooperative and generous with the time and effort that they put forth to assist us with the yearbook. Administration is also to be commended for the support they gave us throughout the year. We also received tremendous support from the entire school and community and we would like to express our appreciation to them. Finally we would like to thank two special people that were not members of the yearbook staff but put much time and effort forth to see that layout was finished and deadlines were met, Richie Byron and Paul Day.

THANK YOU ALL FOR YOUR EFFORTS, IT HAS BEEN GREATLY APPRECIATED!!!

Vikki Firlotte and Jeanine Okraska

ROADS AHEAD

TO THE CLASS OF 1989

This year has been a very special year for us. The graduating class is the first class in Carver High School. The traditions that have been created and been part of will remain for many years to come. People look through the pages of this book and will recognize, if not the faces, the customs that we have left behind. We can all be proud to say that we are a part of Carver High School's beginning. It is a very special atmosphere about our class that we are all a part of Carver's future.

We, Jeanine and Vikki, would like to wish you the best of luck in your future endeavors. You will be facing a new beginning... NOW AND FOREVER. Remember for all the friends you've made and the closeness that you have shared with your friends at Carver High School. **GOOD LUCK EVERYBODY!!!**
